Union County UCC
September 2022

Meeting opened by Chair, Marshel Herring.

Breakfast provided by Piedmont Natural Gas

Piedmont Natural Gas – New 24” gas line from Union County to Stanly County. Lots of services and distribution mains going in toward Waxhaw.

City of Monroe – lots of subdivisions. Things have slowed down a little bit. Still a lot of work. There are townhomes going in at the old Bi-Lo site on Dickerson Blvd.

There have been a number of emergency tickets coming from Union County that on the surface do not appear to be emergencies. It would be great to have Union County back in attendance at the UCC meetings.

Damage reports – Piedmont Natural Gas had seven reported damages. Five were contractors who had no locate requests.

City of Monroe – they did have a couple of marked lines that were struck.

Next meeting is Oct 5 at PNG. If anyone would like to sponsor biscuits, please let Marshel or Tami know.

Dear Chair Mitchell:

On July 22, 2022, a representative of the U.S. Department of Transportation's Pipeline and Hazardous Materials Safety Administration (PHMSA) conducted an evaluation of the North Carolina Utilities Commission's enforcement of the North Carolina excavation damage prevention law. PHMSA conducted this evaluation pursuant to 49 United States Code § 60114 and 49 Code of Federal Regulations (CFR) Part 198, Subpart D -- State Damage Prevention Enforcement Programs. Based on this evaluation, PHMSA has determined that the enforcement of North Carolina's excavation damage prevention law is "adequate."

PHMSA appreciates your dedication to pipeline safety. As you are aware, excavation damage continues to be a leading cause of pipeline failures, some of which result in fatalities, serious injuries, and environmental damage. Nationwide statistics show that effective enforcement of state damage prevention laws reduces excavation damage and pipeline incidents, resulting in enhanced public safety.

Should you or your staff have any questions regarding this letter, please contact Mr. David Appelbaum, PHMSA State Evaluator, at (202) 617-6329 or by email at david.appelbaum@dot.gov.

Sincerely,

Zach Barrett
Director, State Programs
