HOW TO OBSERVE

Donate some non-perishable food to your local homeless shelter, and use #TacklingHungerMonth to post on social media and spread the word! October is generally the time of year people start getting ready for holidays like Thanksgiving and Christmas. Now is a great time to start thinking about helping those who may not get to enjoy big Thanksgiving dinners or cookies on Christmas Eve. There are many simple ways you can help, and it won't take much of your time or money.

- **Bulk up your food drive**. Canned goods, peanut butter, dry beans, brown rice, olive oil, nuts, and soups are all excellent foods to donate, and they won't put a dent in your bank account.

- **Donate money.** Relief agencies like Action Against Hunger, the Hunger Project, Feeding America, and Share Our Strength are always accepting donations with a goal in mind to make sure nobody goes hungry.

- **Support food banks** and make contributions of any kind, whenever you can. A little bit goes a long way when someone is going hungry.

Halloween Safety Tips

- Have a way to reach your kids
- Check all treats before eating
- Drive carefully
- Wear light-colored or reflective clothing or carry lights while trick-or-treating
- Watch out for foods your kids are allergic to
- Keep your home lit all night
- Arm your security system
- Adjust your security cameras
- Use common sense

A few words from Louis Panzer

- Volume continuing to climb: let's remember The 3 C's: Calm, Continuous, Communication.
- Letters going out to those who damage without a ticket. We must understand the "why's" of a no call.
- CGA releases 2022 DIRT report this month: theme will be to address trends in root causes and a "look in the mirror" moment.
- Looking forward to welcoming our new Western liaison!
- Enjoy the onset of fall and stay safe!

Extraordinary Circumstances

ID Your Marks

Locators, be sure to identify the facility operator
who owns the line being marked.

See the Underground Utility Safety and Damage Prevention Act section 87-121 (1a) for marking identity info

PLEASE NOTE

If the diameter or width of the facility is greater than four inches, the dimension of the facility shall be indicated at least every 50 feet in the area of the proposed excavation or demolition. An operator who operates multiple facilities in the area of the proposed excavation or demolition shall locate each facility.

The operator's identity, marked as provided in subdivision (1) of this subsection, in the area where the proposed excavation or demolition is to occur. At a minimum, the operator's identity shall be marked at the beginning point, at intervals of 200 linear feet, and at the end point of the proposed excavation or demolition.
