Union UCC

December 2022

Meeting opened at 9:01 AM by Chair, Marshel Herring.

Level one safety given by Chair, Marshel Herring.

NC811 presentation given by Tami Groves.

Ann Rushing gave information about the Underground Damage Prevention Review Board.

Self introductions were made around the room.

Robert Trickett spoke about the importance of having a locate request. Saw an excavator digging near a transmission line. Excavator told him they had a locate request but there was not one. PNG needs to be on site digging near transmission lines.

City of Monroe had a water main break.

Piedmont Natural Gas is working on a transmission line to Stanly County.

Union County is working on water project – New Salem Road, Rocky River Road, Highway 138 (Stanfield)

City of Monroe still working a lot of subdivisions. Some small fiber projects on Goldmine Road.

Open Fiber – more volume coming – Indian Trail

Make sure you are planning your work. Don't dump all of your tickets in the system at one time.

Communication is key.

Next meeting is January 4, 2023, 9:00 AM at PNG
