MAY 2023

NC811 Monthly Update
Pitt County UCC

The background of the entire graphic is a photograph showing the silhouettes of five soldiers in full combat gear, including helmets and rifles. They are positioned in a line, facing away from the viewer towards a bright, low sun that creates a strong backlighting effect, casting the soldiers into dark silhouettes against a sky filled with orange and yellow clouds. The soldiers are standing on what appears to be a dark, uneven terrain.

MAY IS NATIONAL MILITARY APPRECIATION MONTH

National Military Appreciation Month in May is a month-long observance honoring the sacrifices of the United States Armed Forces.

Today, the United States Armed Forces is comprised of six branches including the Army, Navy, Airforce, Marines, Coast Guard, and Space Force. The U.S. military force is 2.2 million strong and includes National Guard and Reserve units.

There are more military-related observances during the month of May than any other month, so it is an appropriate time to celebrate the men and women in uniform. During May, we recognize Loyalty Day, VE Day (the end of World War II in Europe on May 8, 1945), Armed Forces Day, Military Spouses Day, and Memorial Day.
