BECOME A SAFE DIGGING PARTNER WITH NC 811

A Safe Digging partner is a company who follows the law, keeps their employees educated and safe, and partners to share the message of safe digging.

BENEFITS OF PARTNERSHIP:

- Being a Safe Digging Partner costs you nothing. Partnership is completely FREE.
- We simply want you to help share the 811, Call Before You Dig message.
- NC811 provides Free Safe Digging Partner Stickers for your company vehicles and equipment so you can proudly share the 811 message with everyone.
- Companies are recognized for their commitment.
- Being a partner identifies you and your company as a leader in underground damage prevention.

Joint NC/SC Utilities

Coordinating Committee Conference

May 3-5, 2023

ncucc.org/joint-nc-sc-uccc

The Conference has attendees from both states, and typically draws 200-250 attendees from various public and private utilities and service providers such as locating, construction, and design companies. Speakers and attendees will congregate in the Cherokee Tower for various presentations on Protection of Utilities, Work Zone Safety, Design/Build, and Damage Prevention. Vendors will exhibit their products and services.

Registration is \$125 per attendee.

That will increase to \$150 after April 21st.

Positions Available: Customer Service Representative

Essential Functions and Duties:

Customer Service Representatives are expected to project a professional company image through phone interaction with excavators and the general public. Duties include answering incoming calls, accurately recording excavation data for underground notification and reading maps.

Hours:

Day, Evening or Night Shifts. Job may involve overtime, split-shifts and weekends.

Training:

On-site training

NC811 presentation given by Tami Groves

Still planning to have the Contractor Safety Luncheon on 8/10/2023

City of Concord still has some Google projects – In town through December. On Copperfield Blvd right now.

Please reach out to Diversified about updates and making sure they are done correctly.

City of Kannapolis – Piedmont Utility Group calling in updates and then doing three-hour requests. Will be reaching out to PUG. (Duke Energy will reach out to PUG)

Dominion Energy – Seeing an uptick in emergencies being called in that are not emergencies. *Please get ticket numbers so I can reach out. DOT crossing gas on Poplar Tent Road. Will be there for a while.

Piedmont Utility Group has a lot of work going on but updating requests repeatedly.

Vermeer – VacTruck will be on display in Cherokee. They are available to provide assistance if you need services. Will be educating about soft digging.

Piedmont Natural Gas – lot of tickets on the transmission side because of weather. Paint not staying on the ground and they are having trouble getting flags.

Colliers Engineering and Design – David Talbert spoke about Project Atlas and benefits to utility operator.

Next meeting is May 11 in Salisbury, NC at 10:00 AM
