NC811 Monthly Update
Pasquotank/Camden/Perquimans UCC

The background of the entire page is a photograph showing the silhouettes of five soldiers in full combat gear, including helmets and rifles. They are positioned in a line across the lower half of the frame, set against a dramatic sunset sky with orange and yellow clouds. The sun is low on the horizon, creating a strong backlighting effect.

MAY IS NATIONAL MILITARY APPRECIATION MONTH

National Military Appreciation Month in May is a month-long observance honoring the sacrifices of the United States Armed Forces.

Today, the United States Armed Forces is comprised of six branches including the Army, Navy, Airforce, Marines, Coast Guard, and Space Force. The U.S. military force is 2.2 million strong and includes National Guard and Reserve units.

There are more military-related observances during the month of May than any other month, so it is an appropriate time to celebrate the men and women in uniform. During May, we recognize Loyalty Day, VE Day (the end of World War II in Europe on May 8, 1945), Armed Forces Day, Military Spouses Day, and Memorial Day.
