- Pre-construction communication is key

Piedmont Triad Area

- Updates on jobs without permits (City & State) are still happening.
- Fiber overbuild projects are calling in large job tickets where multiple drill crews move into an area to install fiber and are in and out in 3 weeks, but it's overloading smaller utilities that have only 2-3 locators (unable to keep up). Coordinate with all the members (Pre-Con)

Anson County UCC
June 2023

Meeting opened by Chair, David Burr.

David talked about why we use 811, how important the process is and the five steps to safe digging. We spoke about the different methods of contacting 811.

PeeDee EMC – PeeDee covers seven counties, Anson/Union/Stanly/Richmond/Moore/Montgomery/Scotland counties. In Anson County a lot of chicken house construction is underway. Jarmin Road single phase to three phase. Gullledge Road. Shell building to be constructed east of PeeDee to draw in potential business. Pole replacements are now in process in Burnsville area. Bridge jobs w/ DOT at Deep Springs Church Road/Diggs Road.

Utility Partners of America – Kyle spoke about his position and the fact that UPA is available to provide help with private locates. Lot of schoolwork and they will be happy to help if needed.

Anson Co Schools – Do NOT want to hit anything. The boring machines running in the county are hammering in utilities. The next big project coming in is the middle school off Anson High School Road. Social services between White Store Road/High School Road.

Colliers Engineering and Design – David spoke about Project Atlas and project development across the state. No project Atlas files are shared outside of NCDOT.

Next meeting – August 28, 2023
