## Discussion:

Parrish with NC811 presented the NC811 report. He discussed upcoming events for August and these are included in the presentation. Parrish mentioned that more damages occur in August than any other month. Overall locate tickets were up 6.8% from last year. Harnett County had an 18.4% increase in new locates and Johnston County had a .4% decrease. There were 22 damages reported in Harnett County and 23 in Johnston County in July. Mastec called in the most locate tickets in Harnett County in July and RG Communications called in the most in Johnston County in July.

Lenetta with Town of Clayton said she had a locate ticket with conflicting requests on it, entire property and white lined area. Which should she be locating? Parrish said that to err on the side of caution, you should probably go with the most area requested. You can call and get clarification but ask for it in an email.

Andrew reminded everyone to white line and to invite contractors to our meetings, he then adjourned the meeting.
