HOT WEATHER TIPS

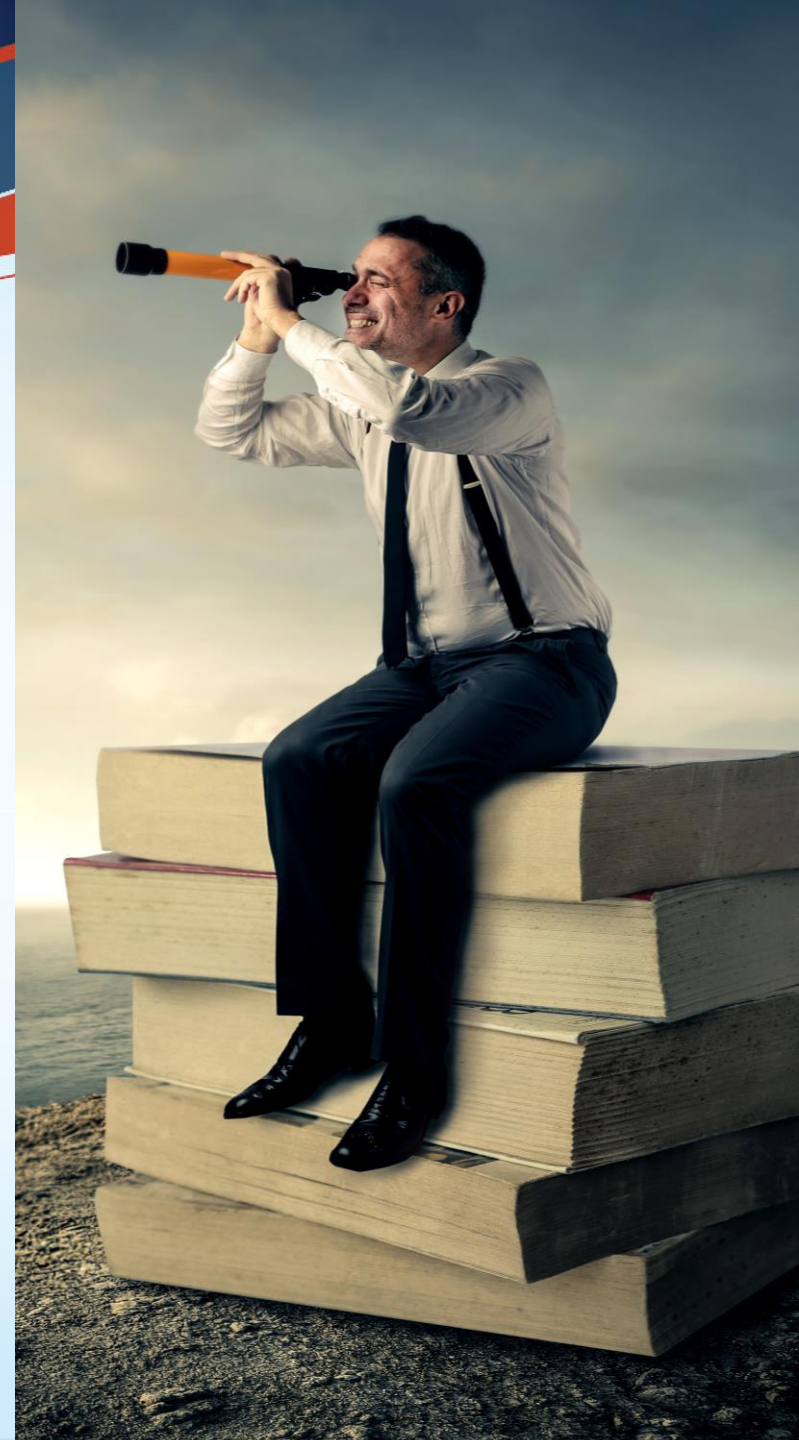

- Alert workers to the heat index anticipated for the day and identify each precaution in place at the work site to reduce the risk of heat-related illness
- Provide plenty of cool drinking water and disposable cups
- Actively encourage workers to drink small amounts of water often
- Establish and enforce work/rest schedules
- Set up a buddy system
- Maintain effective communication with your crew at all times
- Encourage workers to wear sunscreen and use other protections from direct sunlight

On a hot day in July near upstate New York,
Tim Barber was overcome by heat while working.

811 Day

The logo for 811 Day features the text '811 Day' in a bold, rounded font. The '811' is in a light green color, and 'Day' is in a darker green. Below the text is a stylized illustration of a silver shovel with a yellow handle, partially buried in brown soil. The background of the entire image shows a person in a blue shirt, blue jeans, and green rubber boots using a yellow-handled shovel to dig in a garden. In the background, there are yellow flags with the text 'BURIED GAS LINE' on them, indicating the presence of underground utilities.

**Help NC811 spread the message of
safe digging this August 11th.
