Richmond Co UCC
January 2024

Meeting opened by Tami Groves

Level One Safety given by Carlos Torres

Attendees gave self-introductions

NC811 Presentation given by Tami Groves

Colliers Engineering and Design – as always, Project Atlas. If you are able to help provide information, please reach out to David. Reminder – stay safe on the roads. Road traffic is hazardous anyway, but a log truck driver was stopped at 9:00 AM, driving while intoxicated. Stay aware of your surroundings. *USIC had a 20 year old young man killed in Illinios. Stay aware and be aware of your signage. If no one is on site, pull signs down. If you are on site, make sure signs are up. People get complacent if no one is working and signs stay up.

City of Rockingham – Currently maintaining. Large sewer project Airport Road to Maple Street Church Road coming. Tie in 6.5 miles.

Piedmont Natural Gas – Larry is their new locator. Getting him acclimated. Otherwise, business as usual. Moore Co is the busy spot right now with fiber work.

USIC – SEC is doing a fantastic job for PNG. Be patient – they are working hard. Make sure to check positive response.

BICT – tickets called in and overloaded. Carlos will meet with them on 1/23/24 to discuss locates.

Everyone is aware that fiber projects are on deadlines but please make sure to ask for what you need. Asking for both sides of the road if you are only going on one side doubles the time needed to get marks. If deadlines aren't met, they don't get paid – but make sure to make it easier on yourself.

USIC – Hiring classes of twenty. Had 23 in the last class and already down to sixteen. They are working as hard and fast as possible. Anything they can do to be of assistance, please let them know.

Forward dates of UCC meetings to Carlos for his calendar. Add Phillip to several UCC's.

Next meeting Mar 21 at 10:00 AM
