5. Round-table Discussions:

Kevin Clark – Brentwood Water Corporation: Our new project on Snowhill Church Road is now completed. All state inspections have been made and this new line is now in service.

Have talked to several of our regular suppliers, and they say that their suppliers are anticipating an 8 to 15% increase in prices for this coming year.

Things are going smoothly right now. We are doing some extra maintenance of lines, such as turning valves, cleaning meter boxes, and getting things ready for spring.

Will Dennis – Town of Rhodhiss: Not much going on, installing a few new taps, Town Manager is working with Longview and Hickory on the new trail systems that will be going down the Catawba River.

Karen Burnett, Roddi Long Grading – Denver, NC: Has become a regular member of our group. We want to welcome her to our group. If you need any grading type work, give her a call!

Kule Kissmann – UPA: Joined our group today, his company is in the underground locating services. His company is available to do work for you. Give him a call!

REMC – Rodney Roland: They are still doing pole replacement in their system. No serious issues or projects are going on currently.

Triangle – Contractors – Esten Cray: Has rejoined us today. It is good to have you folks back with us. Hope to see you next month.

Our next NC 811 UCC meeting will be held Tuesday, April 9, 2024, at 12:00 Noon at the Timberwood Restaurant in Morganton, NC.
