Welcome Rory Phipps: Our New Western Region Liaison at North Carolina 811!

We are thrilled to announce a new addition to the North Carolina 811 team, Rory Phipps, who joins us as the Western Region Liaison. Rory will be playing a crucial role in spreading the word about safe digging practices, attending local UCC meetings, and keeping our members informed about damages in their area and the number of tickets processed through our notification center.

Rory hails from Waynesville, a town he proudly calls home. His diverse background makes him a perfect fit for this role. Previously, Rory worked as a locate technician in Waynesville, where he honed his skills in detecting underground utilities. His experience doesn't stop there—he has also served as a firefighter, showcasing his dedication to safety and community service. Additionally, Rory holds a graphic design degree, which adds a creative edge to his skill set.

Starting with us on Tuesday, July 16th, Rory will be working closely with Tyler Ross, our current Western Liaison. Together, they will ensure that our community stays informed and safe.

Please join us in welcoming Rory to the North Carolina 811 family. We look forward to the positive impact he will make in our Western Region!

THANK YOU!
