Iredell County UCC Meeting  
February 2025

Level One Safety

NC811 Presentation given by Tami Groves

Please be thinking about the annual Damage Prevention Breakfast in April for Safe Digging Month.

Enbridge Gas – several large subdivisions in the works in Mooresville. NC115 will happen this year. Existing pipe – pressure will be lowered and retiring some stations along 115. They are wrapping up relocation of 150. Enbridge had one thousand less damages in the 2024 year than prior. On the transmission side – lots of pipe crossings, encroachments, and fiber. Next phase of 150, Williamson to the bridge will kick off soon.

City of Mooresville - There will be bids opening up between Church St and Statesville. Sidewalk/curb & gutter. This will move quickly. Money has to be spent. Lots of new subdivisions. Rocky River, Keestler Farm, CLaudfelter. The East/West 115 connector approved for a new retail/residential center.

Next meeting tentatively scheduled for Statesville Fitness Center
