Orange/Chatham/Alamance County Utility Coordinating Committee

Location: Enbridge Gas of NC, 66 N Chatham Parkway, Chapel Hill, NC 27517

Date: February 5th, 2025

Time: 11:00am

Attendance: 22

Safety Moment: Marc Worth – January: Time Pressure (In a Hurry)

Old Business: No old Business to Discuss

New Business:

- Safety Moment Briefing Board
- NC811 Monthly Update February 2025
- 2025 Tailgate Wraps (26 avail)
- April is National Safe Digging Month
- Enbridge Sponsoring National Deer Dig @ the NC Fair
- Flight Force Contractors – New traffic control in the area -from Pa to Florida
- Enbridge discussed unsafe contractors (Fearrington Issues) – Chatham County has no authority, also they do not issue permits this might take some legislation to get involve.
- Duke Energy stated they will shut down projects with issues
- One of the questions was- Are they digging Blind – waiting on marks?
- Williams had same issues and started issuing fines to the contractor involved – due to continuous hit lines.
- AT&T is improving with more info on ticket.
- Contractor stated good relations w/some contractors – seems to think that greed is a factor (lack of Communication).
- Are there any hit lines in DOT ROA – has seen work w/Lomos (not enough cones out-safety issues) will try to get someone from DOT to attend next meeting.
- USIC is mostly painted
- Damages has drop – 1.84 down from 2.15

Thank you to Duke Energy for providing Lunch today.

Next Meeting: April 2nd @ 11:00am – Chapel Hill Operations
