Good Afternoon Folks,

For those who were unable to attend today's Buncombe County UCC meeting, I'd like to share a key update from one of our members:

AT&T will be installing approximately **400,000 feet of fiber** throughout **Buncombe County and the Greater Asheville Area**. This is a significant infrastructure project that will require close coordination.

Please remember that **clear communication is critical** throughout this process to ensure **safety and damage prevention**. Let's work together to keep everyone informed and protected.

Best Regards,

Rory Phipps
