Open Discussion

NCUCC MISSION STATEMENT

The North Carolina Utilities Coordinating Committee will provide a forum for utilities, governmental agencies, and contractors in North Carolina to discuss the impact of planning, engineering, construction, and technology among member organizations. This committee will also serve as a resource for local Utilities Coordinating Committees on issues which are better addressed and resolved on a statewide basis. This committee will promote safety, damage prevention and the use of North Carolina 811 for notification of all excavation activity.
