# HARNETT/JOHNSTON COUNTY UTILITY COORDINATION COMMITTEE

Minutes of April 21, 2026

Meeting held at Sherry's Bakery  
Dunn, NC

## Members present:

Parrish Reddick	NC811
Kacey Johnson	SREMC
Andrew Smith	SREMC
David Larson	SREMC
Devin Beier	SREMC
Gregg McCrackin	SREMC
Lenetta Lucas	Town of Clayton

## Projects:

**SREMC** –New subdivisions and replacement projects in Harnett and Johnston County.

**Town of Clayton** – new subdivisions.

## Discussion:

NC811 report: April is safe digging month. Parrish showed a video of the items they are giving away during safe digging month, the drawing will be at the end of the month. Lineman Appreciation day is this month and this is National Utility Locator Appreciation week. Overall locate tickets were down 16.6% from last year. Harnett County had 28 reported damages and Johnston had 37 reported damages in March.

Devin with SREMC asked if it is required to put white paint/flags when calling in a locate. Per Parrish with NC811, it is only required if they can't adequately describe the area they need located. SREMC does have one contractor that when they call for better explanation they are told to "just do what's on the ticket".

Andrew encouraged everyone to attend the monthly meetings and to invite their contractors to the monthly meetings. Please remember to white line or flag the area you need located when calling in locates and give them good contact information.

Andrew thanked everyone for coming and adjourned the meeting.

**NEXT MEETING: May 19, 2026 at 12 PM at Sherry's Bakery in Dunn**
