**NC 811.ORG**

The logo for NC 811.ORG is displayed on a large outdoor sign. The text "NC 811.ORG" is rendered in a bold, green, sans-serif font with a black outline. The number "811" is significantly larger than the other characters. Below the "11" portion of "811", there is a stylized graphic of a shovel with a blue blade and a brown handle, set against a green background. A registered trademark symbol (®) is located to the right of the "11". The sign itself is rectangular with a black border and is mounted on a stone archway. The background of the sign is a light blue sky with faint clouds. The sign is situated outdoors, with green plants and a stone wall visible in the foreground and background.

# Work Date vs. Legal Work Date

Begin Time	
Work Date *	05/15/2026 12:00 AM
Legal Date	05/15/2026 12:00 AM
Good Thru	06/11/2026 11:59 PM

LEGAL NOW EMER **NORM**

Update By 06/08/2026 11:59 PM

The **Work Date** is the date you *plan* to begin your excavation or demolition work.

This is the timeline you set based on your project schedule, crew availability, and job requirements.

However, just because you've listed a Work Date... **does not automatically mean you're cleared to start digging.**

The **Legal Work Date** is the earliest date you are legally allowed to begin excavation.

By law, your locate request must be submitted at **least three full working days** before excavation begins.

**The three full working days are not optional.**
