## Damages in North Carolina 2026 vs 2025

# Work Date vs. Legal Work Date

Begin Time	
Work Date *	05/15/2026 12:00 AM
Legal Date	05/15/2026 12:00 AM
Good Thru	06/11/2026 11:59 PM

LEGAL NOW EMER **NORM**

Update By 06/08/2026 11:59 PM

The **Work Date** is the date you *plan* to begin your excavation or demolition work.

This is the timeline you set based on your project schedule, crew availability, and job requirements.

However, just because you've listed a Work Date... **does not automatically mean you're cleared to start digging.**

The **Legal Work Date** is the earliest date you are legally allowed to begin excavation.

By law, your locate request must be submitted at least **three full working days** before excavation begins.

**The three full working days are not optional.**

## Education team

**Parrish Reddick**
